Dear Parents,

Thank you to the parents who have made a better effort to park with consideration outside the school this week. Remember you can always park in the Red Lion car park. Thank you to the Red Lion for this facility.

Well done to the Y6 children who completed their Mock SATs this week. This has allowed us to assess the tests and see how we can best support the children who would benefit from booster sessions. Look out for a letter in your child's bag next week. These booster sessions are short but really valuable and I hope you take advantage of them. Thank you to Miss Bryan for organising these booster sessions. Miss Bryan has analysed all of the children's work and their tests results and has designed these sessions so that they have a very good impact on your child's learning, in a short space of time.

Thank you to every one who helped fill the food bank this month. The Chelmsford Food Bank were delighted to pick up the food on Wednesday. Let's keep this Year Long Food Bank going.

Next week some children will attend a Gifted and Talented Science workshop with Mrs Kirk. The Y5 and 6 will play a football match against Ingatestone Junior School and the Y1 and Y2 children will attend a Sports Skills afternoon at Francis Bardsley Academy. It will be a busy last week to this half term.

We are looking to see if anyone can build raised beds for our playground? Please get in touch if you can help out. The House Captains would be very pleased. They are taking our environment and re cycling projects very seriously.

The 6th form girls from Francis Bardsley will give a motivational speech about Perseverance at our assembly on 15th Feb at 8.40am These young ladies are inspirational. They have already spoken to our school last term and the children were very inspired. If you want to hear them speak, please come to our assembly. Please let me know at the gate so that I can cater for numbers.

For World Book Day the children can wear their own clothes. We will be meeting the author Dennis Thompson. His books are more suitable for KS1 so all of the younger children will get an order form to order his book in advance. The LIFE MAT continues to support us in many ways. Long term projects that we are researching and looking into at the moment, include the redesign the Reception classroom so that it has it's own toilets and food preparation area, new windows, new fire doors and new guttering. Some of the projects may not sound very exciting (!) but it makes our school better and the upkeep of the building to a high level.

Term Dates

13th Feb Football match with Ingatestone

14th Feb Y1 and Y2 to LIFE to take part in sports

15th Feb 2019 last day of first half term Spring
