I really enjoyed meeting Bruce the Tractor—his wheels are huge!

Well done Layton for raising £1043 for Cancer Research!

We helped the new children to settle in and enjoyed a yummy picnic on the field (we invited Zoe too)!

Thank you Mr Smith for teaching us all about tractors!

Dear Parents,

As it is coming close to the end of term, please remember to return your LIFE passports to your class teacher. The passports that have been completed are excellent. Well done everyone!

Could the children bring a carrier bag or a strong bag to school on 19th July, so that they can take home their books, to show you all their work from this year. Thank you for your co-operation.

We will be having a science morning on the 23rd July. We need recycled materials such as: yoghurt pots, egg boxes, paper plates, kitchen rolls and cereal boxes to complete our experiments. Please help with these items so that our science day is practical and our experiments work! All of these resources must be given to MRS KIRK.

We are looking forward to the performance of 'Alice in Wonderland' and will see you at either the 1.30pm or the 6.30pm performances. The 1.30pm will be our first full performance so please be patient with us as we get the hall ready. Due to other bookings in the hall, we have a very small window of time to prepare the hall before the audience arrives. Thank you so much for your understanding. We hope the play will finish at 3pm. Then we will walk the children back to school in time for the end of the day. Again please be patient with us if we are running a little late. This will be the first performance and it is very difficult to time any performance to the exact minute.

Please continue to support your child with their lines and song words, the rehearsals are going very well. Thank you for all your support.

Well done to Layton who presented a cheque to Cancer Research for £1043. Layton has been fund raising all year for this great charity.

Thank you to Mr Smith who brought Bruce the tractor to school. We learnt so much about harvesting and Farming from Mr Smith.
