Dear Parents of Margaretting C of E Primary and Roxwell C of E Primary,

Welcome to the first week of the summer term. It is a very strange time and of course we miss all the children. We hope you are safe and well at home. The Home Learning for the next two weeks should be with you today or tomorrow. We have tried our best to make this user friendly and we are aware that you are trying your best at home. Please do not put yourselves under pressure.

All the class teachers will be phoning you this week to see if you are alright at home. The Year 5 and 6 children have already heard from their teachers recently. This is not to put you under pressure but just to reassure you that we are doing our best to communicate with you as much as possible.

The School vouchers organised by the Government to support children who get special funding, have still not arrived. There has been a huge delay for lots of schools and we are emailing the website daily for some sort of support. Please call the school on 01245 248229 if you need support with food. I am trying to get a Morrison's voucher to as many families as possible using the school budget, to help you while the Government vouchers are being issued. I am sorry about this delay but it has nothing to do with the school directly. Hopefully the vouchers will come soon in the form of an email.

There is no date yet for the reopening of schools, according to a statement made by Gavin Williamson this morning.

All the monies from the Danbury school trip for the Roxwell children has been refunded into your bank accounts. It may take a few days to show up on your statements.

In an emergency please call me on 07871724903, this is the Roxwell Mobile number and I have the mobile with me at all times. Please email me on admin@roxwell.essex.sch.uk if you would prefer to communicate this way.

The Essex Welfare Service, which supports everyone during the lockdown can be contacted on 03003039988 or on essexwelfareservice.org.uk and they are open 8am to 7pm Monday to Friday and 10am to 2pm on Saturday and Sunday.

Thank you to all the staff who are teaching key worker children during the lockdown. Ford have kindly made PPE equipment for the staff and we are very grateful for this. Hopefully this equipment will arrive tomorrow.

Take care and stay safe, Maire O'Regan, Melissa Bryan and Sarah Cotton
