

Courageous Optimism

Heartfelt Compassion

Boundless Creativity

Dear Parents,

I hope you are all keeping well. We continue to have Roxwell School open for the Key Worker children and the children and staff are doing well. One member of staff who was ill has made a good recovery.

The teachers have been working very hard on the curriculum development and auditing resources, writing reports and Home Learning. The Chair of Governors receive a weekly update of how the schools, staff and children are doing. Thank you to all the staff for their hard work in these challenging times.

You will all receive a phone call next week from your class teacher to make sure that you are all well.

A new Home Learning pack will be emailed to you all on 18th May.

I have written a letter to every parent this morning to tell you all the details about EYFS, Year 1 and Year 6 returning to school on the week starting the 1st June. I have included all the details from the Government documentation and have added the names of the documents if you would like to read this information yourself in detail. The information changes daily and there has been a lot of information for me to read, so this information is up to date as of 9am this morning.

The LIFE trust are thinking about sending just the Year 6 children back to school and then to analyse the Scientific findings after a week. As of 9am this morning only Year 6 will start school on the first week in June. This information may change.

We are now starting to put the risk assessment in place that has been sent to us from the Government. As the children will not be able to bring in books from home and there will be no books /homework going home with children after they have a day at school, can parents refrain from asking to change books in Roxwell School.

The Corona Virus pandemic has changed many things in our society, however our school have followed all the legislation given to us on a daily basis. If you feel that you **do not want** your children to return to school or you **do** want your children to be in school, I completely respect your wishes, Please remember at all times to speak/email/write to staff with respect. We are following legislation correctly and doing our very best according to the Government guidelines. **If you want to contact me at any time I am at Roxwell School on 01245 248229. Margaretting school office is open most days on 01277 352114. There is an emergency mobile number that you can call, especially if there is a safeguarding issue which is 07871724903. Best wishes, Maire O'Regan**

Term Dates

More dates will be added when we know the return date for school opening.
