Dear Parents,

The weather has not been as good this week but the children have still enjoyed their school experience. The Year 6 children have been doing some revision as well as PE and pond dipping!

Thank you to the EYFS and Year 1 parents who have let Miss Bryan know that their children will be returning to school on Monday (15th June). We look forward to welcoming the children back and introducing them to their new 'bubble' and a new way of school life. As stated on the letter from 15th May, children will be picked up at staggered times, EYFS will be at 3:00, Year 1 at 3:05 and Year 6 at 3:15. Please turn up at the correct time to collect your child.

If your situation does change and you need childcare then please make sure that you speak to Miss Bryan or Mrs O'Regan. We have a careful risk assessment and cleaning regime at school so it is important that we know which children we be at school each day. The more notice that we have, the better but we completely understand how quickly situations change at the moment so please do contact school if you need to on 01277 352114.

In the last two weeks all teachers have called the parents of the students in their class. If you have not spoken to your child's teacher and you would like to then please ring the school office at any time on 01277 352114.

On Monday we sent out the new Home Learning packs for the next two weeks via Parent Pay. There is a range of learning activities and subjects for the children to complete. We appreciate it is not the same as being in school and children are not always highly motivated everyday. All we ask is that they try their best. As we have said before, the main thing is that the children stay physically and mentally well.

We also have some good news to share! Miss Bryan has now been shortlisted for the Pearson Teacher of the Year award 2020! She has been interviewed and some children and staff have provided evidence. We are keeping everything crossed until we hear the final results and of course will keep you updated. We wish her the best of luck! We would like to take this opportunity to say thank you to all of the staff for all of the work that they have been doing during this time of uncertainty. Teachers who aren't teaching have spent a lot of time preparing home learning and getting the school ready for the new academic year as well as writing reports and preparing resources. Everyone has been very busy!

Please be aware that next Friday (19th June) is a non pupil day and school will be closed to the children as staff are completing training.

As you may be aware, the Government released a statement on the wider opening of primary schools this week. LIFE Education Trust will send out a statement next week to all parents.

Take care, stay safe and have a great weekend!

Miss M Bryan and Mrs M O'Regan.

Term Dates

12th June 11 am—Zoom Karate
19th June—Non Pupil Day
22nd July—Last day of Summer term

2020/2021

2nd September—INSET day
