

Margaretting Primary School

Health and Wellbeing Policy

Date: February 2021

Review Date: February 2026

Introduction

As the employer of staff, Margaretting Primary School and its Governing Body recognises the statutory responsibilities related to employment. Day-to-day management of staff is delegated to the Executive Headteacher and Head of School in Margaretting Primary School. Throughout this document, reference is made to the responsibilities held by the Senior Leadership Team for operational purposes. Ultimate responsibility rests with the Governing Body and LIFE Academy Trust.

Margaretting Primary School and LIFE Academy Trust and the Governing Body of Margaretting Primary School are committed to promoting positive mental, physical and emotional wellbeing and will provide suitable support for all members of staff. Taking action to prevent ill health and promote good health makes good educational and business sense, as sickness absence carries high costs both in monetary terms and in terms of the impact upon performance, teaching and learning, morale and productivity, which may disrupt or compromise student progress.

The Senior Leaders of Margaretting Primary School encourage staff wellbeing by:

- Having an 'open door' policy where staff are able to come and talk about any issues they have with Maire O'Regan or Melissa Bryan.
- Encouraging staff to visit the staffroom at lunchtimes.
- Organising wellbeing training (Shonette Bason-Wood and Alistair Bullen).
- Reducing staff workload by having live marking and no marking on a Friday.
- Allowing staff to take their PPA off site.
- The Deputy Head organising termly staff social events.
- Allowing staff to take a 'gift day' of their choice each year.
- Being flexible and reasonable in allowing staff to attend appointments.
- Giving out the free counselling service telephone number termly.
- Encouraging staff to leave school before 6pm, no staff contact after 6pm.
- Discouraging staff from checking emails late at night or at weekends.
- Staff are given simple planning formats and the maths and English lessons have planning provided.
- An assessment afternoon is given to all teachers once a term.
- Staff are encouraged to join in with dance sessions twice a week.
- The Headteacher is a trained counsellor and vigilant on staff wellbeing.
- All staff are invited to our 'business' meetings so they can stay up-to-date with what is going on in school.

Members of the teaching and non-teaching staff are entitled to be treated fairly and professionally at all times. Margaretting Primary School, LIFE Academy Trust and the Governing Body of Margaretting Primary School all take very seriously their duty of care as an employer to all members of staff and a number of policies and procedures have been made in relation to this duty.

These include:

- Attendance and Sickness Management Procedure Policy
